Dallas Fort Worth International Airport invites your company to exhibit at the 2018 Aviation & Transportation Career Expo. Register today to participate in this 6-12 career awareness event.

For those Exhibitors new to the Career Expo, **there is no cost for being an exhibitor**. DFW Airport will provide your booth space, tables & chairs, and electricity (if needed), as well as cover fuel cost for all aircraft flown-in for the event.

Student attendance is broken into three arrival times, allowing your business the ability to better connect with students interested in learning about careers in the aviation and transportation fields.

We want to give a special thanks all our past Exhibitors for making the Career Expo a success and introducing our community's youth and educators to the multitude of career paths offered by the aviation and transportation industry.

Register today to be a part of this fun and exciting event, one of the largest educational events of the year in North Texas. If you know of someone who would be interested in exhibiting at the 2018 Career Expo, please encourage them to visit our website.

Please fax or email this form to Jessica Fanguy at DFW Airport at (972) 973-4651 or jfanguy@dfwairport.com.
